⑦ Yuki-Doro Festival

⑨ **S**now and Illumination Fantasy ⑧
At the main exhibit area around Yon-maru, large snow structures based on historical architecture and a large slide entertain visitors from young to old. Every year, the Hirosaki post of the Ground Self-Defense Forces also takes part in the festival and exhibits their snow-creation. At night, the park illumination of the pine trees and the snow-covered Tenshukaku (the castle tower)
