

Aomori Idol

⑧ Ringo Musume

⑨ Ringo Musume, a dance and vocal unit, originates from voluntary group Hirosaki Actors School Project that is established in Hirosaki City, Aomori in July 2000.

Their activity is aimed to deliver information through

music and show biz work, to revitalize their local, Aomori, and also to encourage the primary industry of all over the Japan and abroad through entertaining business.

Each member of the group named after variety of apples. Basically, they talk in

a Tsugaru dialect to promote Aomori. They perform on TV, radio or event stages, and also at schools and nursing homes. Ringo Musume is a popular Aomori local idol group loved by any generation.

⑫ Currently, Ringo Musume has released 23 singles and three albums.
20th Single Jawamegi Night!! Ranked 29th on the single chart.

It is an idol group that has been featured in many media and is gaining popularity not only in the local area but also throughout the country.

Member Toki said, but we are not satisfied with the current situation. One of our goals is to appear on the music station.

⑮

- ⑬ July 2000, two of the predecessor members "Jonah and Fujiko" formed "Ringo Musume".

①⑨ Kyodai Appple Pie

②① A group, aiming at the Guinness Book record, bakes kyodai (huge) apple pie with diameter of 2 meters at the Event such as Hirosaki Cherry Blossom Festival. It can serve for 700 peoples. “Eikouga”, a kind of apple that is crossbred Senshu and Ourin, is used for the pie. The sour tasting of Eikouga suites for processed food such as apple pies. To make one Huge Apple Pie, four hundreds apples are used.
